

DESKTOP

## English version

- We need to optimize the loading speed of images. (priority!!)
- A kind reminder to myself to test the google login & account creation when it's online.
- Make Product request page's proportion smaller (same as shopping cart)
- No footer in the shopping bag, login page, forget password page, sign up page.

## Our vision

Sustainability isn't just a word—it's part of everything we do.<br>

At Corlee, we follow eco-friendly **practices** in our products, our processes, and how we work with people.

Thanks to our strong partnerships with local factories and suppliers, we offer integrated woven fabric **solutions** that combine advanced performance with **thoughtful** design.

→ The words in red are off

## ~~They trust our work~~ → Order Process

### **Subheading**

From initial request to final delivery, we make the process easy, always focused on quality and your satisfaction.

從第一步詢價到最後出貨，我們致力於讓流程更簡單省心，始終以品質為本，讓您全程滿意。

## ~~Our Our 500+ Happy Clients~~ → They trust our work

### **Subheading**

Our products are trusted by leading brands, thanks to strategic partners.

我們的產品透過策略夥伴，成功打入多個知名品牌供應鏈。

## Mandarin version

- The titles' font style is not changed, still in Poppins. The text's in Noto Serif however.

## Landing Page

### Quality Control

我們的目標是成為您可靠的機能性布料夥伴。 (add a period in the end of the sentence.)

## Blogs

### Subheading

Industry insights, trend analysis, and smart solutions, your little textile library right here !

這裡是小小紡織資料庫，關於產業洞察、趨勢分析、科技創新都在這！

## Login required

- Login required 需要登入 (can you shrink the font size in mandarin for desktop and mobile version?)
- This action requires login. 請先登入以繼續。
- Login 登入
- No I'm cool 先不用

## Admin Panel

- I can't scroll down for some reason? It happens to every page in admin panel
- The blog page is taking a lot of time to load for both front end and admin panel, need you to take a look.

## Emails

- Verification Email goes to spam
- Can I change the design(add logo) & content in sendgrid? (I wanna put in both english and Chinese version) → Let mw know how, or maybe I can send a template ?

### **Email Verification (Current version)**

Hello yen,

Thank you for registering. Please click the button below to verify your email address:

Verify Email

If the button doesn't work, you can also copy and paste this link into your browser:

[www.corleeandco.com/verify-email/9Ynf4IF4qnFfH3zdWQQMYfG9li0PDFSX/](http://www.corleeandco.com/verify-email/9Ynf4IF4qnFfH3zdWQQMYfG9li0PDFSX/)

If you didn't request this verification, you can safely ignore this email.

Best regards,

The Team

## Mobile

- Landing page : Image's position and design are off.
- Blogs : Need to reduce loading time (priority!!)
- About us - company story: Align text to the left
- Our vision : The image quality is weird somehow, but I'm not sure, would like to have your opinion.
- Logos : verve and Lululemon need to be changed
- Contact inquiry : the titles in contact information section are not the same size and spacing
- The google map is not working (Need to put an updated image or instant location), same for desktop version.
